Affiliated with Gateway School, Carteret, NJ & Harbor School, Eatontown, NJ

Student Name: _____

Date of Birth: _____

Acetaminophen (Tylenol) may be administered in the Health Office by the school nurse with written parental consent for mild to moderate pain or for a fever greater than 100.4 while awaiting parent pick up. Doses of acetaminophen will be calculated based on your child's weight. The nurse can administer up to one dose per school day.

If you anticipate that your child may require a different dose to achieve pain relief or may need a dose more than twice per week, please have your child's physician complete a medication order form.

If you have any further questions, please feel free to reach out to Nurse Jessica.

I, Parent/Guardian Name **DO / DO NOT** (circle one) give permission for my child, Student Name to receive Acetaminophen (Tylenol) based on their current weight administered by the school nurse for the 2025-2026 school year.
